MUSIC TOGETHER[®]
bringing harmony home[®]

music classes...

...for young children and their grown-ups

Please join us as six to 12 children (ages Birth-5) and their parents or caregiver meet for 45 minutes each week to experience new songs, chants, instrumental jam sessions, and movement activities. Everyone participates regardless of their background in music.

The teacher helps adults understand how their child learns and grows musically. Adults learn to interact with their child in a relaxed, playful and joyful setting. Everyone benefits from this musically rich environment.
